Ways it pays to be a member of

CAMComp

WORKERS' COMPENSATION PLAN

You get paid when your employees work safely.

Members in good standing receive money back through dividend checks. Sometimes it's more than next year's premium!

We will help you keep them safe and on the job.

Onsite risk control services and free online resources help you make safety a priority.

If something happens, we are here to help control the loss.

We hold your hand through the entire process.
