WORKERS' COMPENSATION PLAN

CPR Training

Here at CAMComp we strive to provide our members with the latest and greatest in education and training. As many of you may already know, per OSHA, each crew is required to have someone who is trained in First Aid on site.

We are pleased to announce that we now offer **Mobile & In-house CPR & First Aid training to all of our members.**

We're excited to introduce **Mobile CPR Training**.

Our Loss Control Consultant Tracy Nelson will come to your facility and train a minimum of 3 up to a maximum of 10 persons in Adult/Infant CPR & First Aid with AED.

We will also begin scheduled **In-house training** available at the CAM Building located in Bloomfield Hills.
