

CAMComp
WORKERS' COMPENSATION PLAN

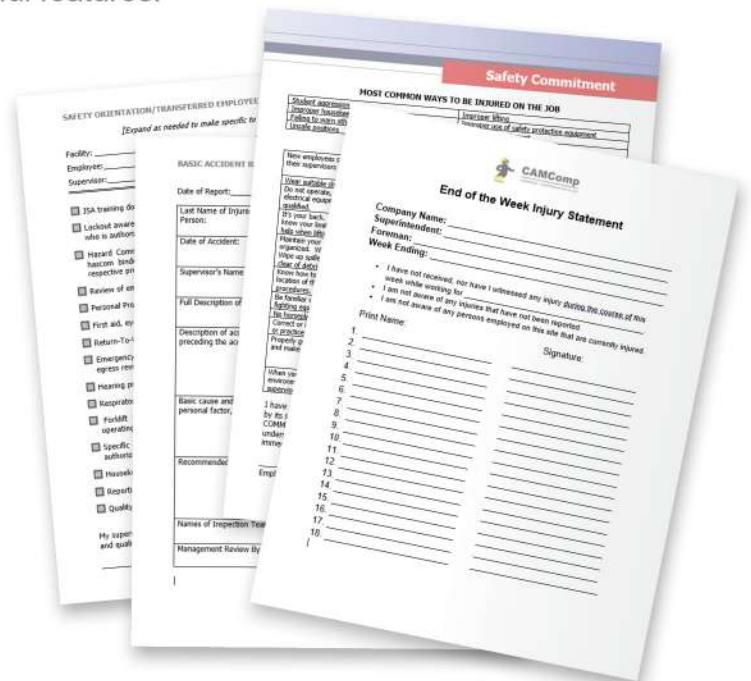

Done For You FORMS

For those of you who may not be familiar with the CAMComp Safety Center, I wanted to take a moment and highlight some of its wonderful features.

1. Go to **www.CAMComp.net**
2. Click on the **Safety Center** tab
3. **Log in to the CAMComp Safety Center**
4. Click on the **CAMComp Resources** box, under "What hazard would you like to do today?"
5. Click on **SHMS Starter Kit**
6. Click on **Forms**

There you will find:

- Basic Accident Report
- End of the Week Injury Statement
- Orientation Checklists
- Training Sign Off Sheets.

These forms are completely done for you, just click on one of them. You can either enable the "edit" feature or print it off just as it is, and you are ready to go!

All of these forms are designed to be done for you, simple and easy to use. Tools that help your organization to stay on top of the record keeping requirements, training documents and basic safety awareness needed to cultivate a healthy safety culture.

Log on and take a look today!
