WORKERS' COMPENSATION PLAN

We're **EVERYWHERE**
In Michigan and **GROWING!**

And we're giving YOU **\$100**
for Every Accepted Referral

Ask your Michigan friends in the construction industry:

*Does your workers' compensation coverage give you **cash back** when your group works safely?*

With CAMComp, the safer your group, the more \$ you get back.

And for every accepted referral you send to us, **YOU GET \$100**. There's no limit to the referral \$\$ you can get. It's super simple...

1

Send your friends to
CAMComp.net for more
information on how safety pays.

2

Have your friend call us to see
how safety pays.
Make sure they mention your
name when they call.

Then, once your friends are accepted- \$100 is on its way to YOU, and they get paid back for working safely- **everyone WINS!**
